Notification, dated 18th December 1972.

No. GAD 80 INS 72. The final Inter-State Seniority List of the Non-Gazetted Ministerial Staff of the Forest Department relating to Chief Conservator of Forests Unit, and Bellary and Coorg Circles, in accordance with the decisions of the Government of India, was published in the *Mysore Gazette* dated 9th January, 1969 under Notification No. GAD 149 INS 68 dated 9th December, 1968. Aggrieved by the ranking assigned to them in the said final Inter State Seniority List Sarvashri M. C. Kalappa and A. S. Appanna filed writ petition Nos. 5022 and 5023/69 in the High Court of Mysore. The High Court by its Order dated 4th August 1972 allowed the writ petitions and quashed the final Inter State Seniority List referred to above with a direction to the Government of India to finalise the list afresh in accordance with the law and bearing in mind the four principles laid down by it and also the decisions given by the Court in its judgment. The High Court judgment is annexed.

2 Representations in terms of the directions of the High Court may be submitted in six sets addressed to the Secretary to the Government of India, Department of Personnel, Cabinet Secretariat, North Block, New Delhi-1 through the Chief Conservator of Forests (General) in Mysore, Bangalore, within one month from the date of publication of the Notification in the Gazette, so as to enable the Government of India to finalise the Inter State Seniority List in question afresh in terms of the directions of the High Court.

(By Sri B. Ramachandra Rao, Sr. Counsel for Central Government for R-1, Sri B. B. Mandappa, H. Ct. Govt. Pleader for R-2).

Writ petitions under Article 226 of the Constitution of India with affidavits praying that in the Circumstances stated therein this Court may be pleased to quash the equation of the petitioners to the cadre of 2nd rade accountant made in the inter-state seniority list published by Respondent No. 2 in the Gazette dated...September 1969 under Notificatioh No. GAD 149 INS 68, dated 9th December 1968 etc.

These writ petitions coming on for hearing this day, Datar, J. made the following:—

ORDER.

The petitioners in these two writ petitions are allottees from the former State of Coorg. They were appointed as Lower Division Clerks and were holding the promotional posts of upper Division Clerks at the time of reorganisation of the States. Consequent upon the reorganisation of the States, equations and seniority list were being made and the equation made and the seniority list prepared for the part of the State was challenged by these very two petitioners by preferring W. Ps. 1344 and 1345 of 1966. The writ petitions came up for hearing on the 16th of December 1968, this court took the view that the equations made were not in accordance with the principles relatingto the equations and were opposed to the judgment of this court in Ramachandra Rao *V.* State of Mysore (1961-My. J. J. P. 1021) and accordingly they were quashed. It was laid down by this court that the equations in respect of the post held by the petitioners which are Class III posts could only be made through an Inter-State seniority list and the equations made must operate not only for Shimoga and Belgaum Circle, but for the entire Mysore State.

Prior to the decision, the Goverment of India appear to have finalised the same in the manner as was made by the State Government on the earlier occasion and that equations were published in the *Mysore Gazette* on the 9th of January 1969. These equations are challenged by the petitioners again by the presentation of these two writ petitions.

Having regard to the decision of this Court in the case of Ramachanda Rao *V.* State of Mysore (1961 My. L.J.P. 1021 and the decisious of this Court giveu on the earlier occasion in W. Ps. 1344 and 1345 of 1966, it is clear that the Government of India has to arrive at equations regarding the posts available in all the integrating areas in the new State of Mysore and has to publish a comprahensive list. From a perusal of the finalised list which has been produced before the Court, it will be appearent that it is the same as the one which was challenged and held to be invalied. It also appears that the four principles which are laid down by the Government of India for making equations have been ignored in arriving at the equations, in so for as the posts held by the petitioners, in so far as the posts held by the petitioners are concerned.

In that view, we allow these writ petitions and quash the final inter-state seniority list impugned in these petitions and direct respondent-1 in this case to finalise the list afresh in accordance with law and bearing in mind the four principles laid down by it as also the decisions given by this court referred to above. Time six months.

Parties will bear their own costs.

Explanatory Note

1. For purposes of preparing the Provisional Gradation List of the Mysore Government Road Transport Department, the services and the classes and categories of posts held by Government servants as on 31st December 1956 and the employees of Ex-Bombay State Road Transport Corporation are equated with the services and the classes and categories of posts sanctioned for the Mysore Government Road Transport Department in the New State of Mysore.

Explanation :—In this Note " Government Servant " means a person holding a post in the Mysore Government Road Transport Department as on 31st December 1956 and the " employee of Ex-Bombay State Road Transport Corporation " means an employee working in the Ex-Bombay State Road Transport Corporation allocated to the New State of Mysore under the Bombay State Road Transport Corporation Order 1956 issued by the Government of India in Notification No. 2-T(30)/56, dated 31st December 1956 under sub-section (2) of Section 47(A) of the Road Transport Corporations Act, 1950 (Central Act 64 of 1950).

2. In determining the equivalence of posts held by the Government servants on 31st December 1956 under the different classes and categories of posts, the following factors have been taken into consideration :—

(a) the nature and duties of the posts ;

(b) the responsibilities and powers exercised by the Officer holding the post ; the extent of territorial jurisdiction or other charge held by the incumbent or the responsibilities devolved on the holder of the post ;

(c) the minimum qualification, if any, prescribed for recruitment to the post ;

(d) the salary of the post ;

Provided that the salary of a post has not been taken into consideration except where the other factors are equal and it is not possible to determine the equation on the basis of these factors.

3. The posts held by the Government servants and employees of Ex-Bombay State Road Transport Corporation as on 31st December 1956 have accordingly been equated as shown in the Annexure-II.

4. The Seniority between the Government Servants and Employees of Ex-Bombay State Road Transport Corporation has been determined with reference to the length of continuous service, whether in a permanent, temporary, or officiating capacity, in equated post was held in purely stop-gap or fortuitous arrangement ;

Provided that—

(a) where the length of continuous service is the same, in respect of two or more employees the person elder in age is deemed to be senior to the person younger in age ;

(b) where two or more categories of posts of the same State have been declared to be equivalent to any category or class of posts in the new State of Mysore, the total continuous service in all the categories of posts in the former State is deemed to be the length of continuous service ;

(c) the inter-se-seniority of Government servants and employees of Ex-Bombay State Road Transport Corporation from the same State is not varied unless to give effect to proviso (b) or unless on equitable grounds such variation is deemed necessary ;

5. For the purpose of paragraph 4, the length of continuous service has been taken to include the following categories of service :—

(a) " Service as Probationer " in an equated post as service in an officiating capacity if such service as probationer would count for determination of seniority in the parent State ;

(b) " War Service " of Government servant and the employee of Ex-Bombay State Road Transport Corporation, if such war service would count for determination of seniority in the parent State ;

(c) In respect of upgraded posts, service in the post prior to the upgrading, if the upgrading enhanced the status of the post without any alteration in the duties and responsibilities or pay scale (other than during general revision of pay scale) and the same person held the post both before and after the upgrading;

(d) In the case of Government servant and an employee of Ex-Bombay State Road Transport Corporation who had been transferred from one department to another department, his service before such transfer in any class or category of posts which carried the same scale of pay as the class or category of posts held by him on 31st December 1956, unless the rank of an employee in the class or category of post in which he was serving on 31st December 1956, had been finally fixed by the appropriate authority in the inter-se-seniority list before 1st January 1957.

By Order and in the name of the Governor of Mysore,

C. RAJANNA,
Under Secretary to Government,
